

the new frontier of electric vehicles

Presentation

ISSIMA is a brand owned by **Motorissima Srl**, an Italian firm operating in electrical vehicles sector.

ISSIMA is the last step into electrical quadricycle development on European market.

ISSIMA'S vehicles are produced and approved by Motorissima Srl which operates on a **Yamaha's** chassis on which improvement and components addition are made to obtain **European street legal approval**.

ISSIMA's vehicles are therefore street legal approved in all countries of the UE.

Every operation is done in Italy by Motorissima plant in Cesena - Emilia Romagna.

These operation consist of installation of a **new double circuit brake disk system, a new electric system, front and rear lamps with a new switch, a new dashboard with lights, speedometer and switch, handbrake, new wheels 10", hubs and tires 145/80-10.**

Furthermore Motorissima puts in **seat belts** and berths and a **roll-bar besides** external and **internal mirrors, steering block, horn and direction lamps.**

Now the product line is composed by the following items:

Schizzo 2	2 seats
Schizzo 4	4 seats
Schizzo Cargo	2 seats+cargo box
Schizzo Van	2 seats+van box

In a few time the product line will be added with bigger vehicles.

Schizzo 2

STANDARD EQUIPMENT:

- Seats: 2
- Dashboard with several room and cup holders
- Front and rear lamps
- Seats belts
- Horn
- Steeringlock
- Yamaha chassis HybriCore, with ABS body
- Electrical engine 48V. - 2,6 KW DC,
- Differential
- Gear ratio 12,49 : 1
- Self adjusting rear drum brakes
- Front disk brakes
- Handbrake
- Independent front suspension Tru-Trak II
- N.6 8V Trojan T875 batteries
- Automatic external batteries charger - Delta Q
- Central filling system "Trojan HydroLink";
- Street tires 145-10 73M
- Clima Guard roof with double 360° gutter
- Power batteries level on board
- Golf equipment
- Vehicle dimension: lenght. 2400 - width. 1220 (including mirrors)
Height: 1800 mm Roof including

Schizzo Cargo

STANDARD EQUIPMENT:

- Seats: 2
- Aluminum Cargo Box. Inside dimen. length 1.070 x Width. 770 x H Height 200 mm - Load Kg 200
- Seats ergonomical armrest in black colour
- Dashboard with several room and cup holders
- Front and rear lamps
- Seats belts
- Horn
- Steeringlock
- Yamaha chassis HybriCore, with ABS body
- Electrical engine 48V. - 2,6 KW DC,
- Differential
- Gear ratio 12,49 : 1
- Self adjusting rear drum brakes.
- Front disk brakes
- Handbrake
- Independent front suspension Tru-Trak II
- N.6 8V Trojan T875 batteries
- Automatic external batteries charger - Delta Q
- Central filling system "Trojan HydroLink";
- Street tires 145-10 73M
- Clima Guard roof with double 360° gutter
- Power batteries level on board
- Golf equipment
- Vehicle dimension: lenght. 2700 - width. 1220 (including mirrors)
Height: 1800 mm Roof including

Schizzo Van

STANDARD EQUIPMENT:

- Seats: 2
- Van Box: Width 1.050 x Height 950 x Length 650 mm - Load Kg 180
- Seats ergonomical armrest in black colour
- Dashboard with several room and cup holders
- Front and rear lamps
- Seats belts
- Horn
- Steeringlock
- Yamaha chassis HybriCore, with ABS body
- Electrical engine 48V. - 2,6 KW DC,
- Differential
- Gear ratio 12,49 : 1
- Self adjusting rear drum brakes.
- Front disk brakes
- Handbrake
- Independent front suspension Tru-Trak II
- N.6 8V Trojan T875 batteries
- Automatic external batteries charger - Delta Q
- Central filling system "Trojan HydroLink";
- Street tires 145-10 73M
- Clima Guard roof with double 360° gutter
- Power batteries level on board
- Golf equipment
- Vehicle dimension: lenght. 2660 - width. 1220 (including mirrors)
Height: 1800 mm Roof including

Schizzo 4

STANDARD EQUIPMENT:

- Seats: 2+2
- Front and rear seats ergonomical armrest in black colour
- Rear seats Fold-down. Usable under the law of the country
- Dashboard with several room and cup holders
- Front and rear lamps
- Seats belts
- Horn
- Steeringlock
- Yamaha chassis HybriCore, with ABS body
- Electrical engine 48V. - 2,6 KW DC,
- Differential
- Gear ratio 12,49 : 1
- Self adjusting rear drum brakes.
- Front disk brakes
- Handbrake
- Independent front suspension Tru-Trak II
- N.6 8V Trojan T875 batteries
- Automatic external batteries charger - Delta Q
- Central filling system "Trojan HydroLink";
- Street tires 145-10 73M
- Clima Guard roof with double 360° gutter
- Power batteries level on board
- Golf equipment
- Vehicle dimension: lenght. 2900 - width. 1220 (including mirrors)
Height: 1800 mm Roof including
